

A Report on the 2023 Special presentation

From time to time the Southern Area Committee present an award to a member of the area that has gone out of his way to arrange, in this case a series of events, for the enjoyment of other members.

Presented by Terry Weeks at the 2023 Southern Area AGM.

With thanks to Tony Butterworth for getting the award on our behalf, and David Durnford for the Photographs.

After many years we thought a deserving candidate was Alan Wallington, the wording on the plaque we believe says it all.

“In recognition of his service to the development of Indoor model flying within the Southern Area BMFA, covering Free Flight and all forms of RC model Flying. With thanks for your commitment, the Southern Area BMFA November 2023”.
